

SAYS RAFF TRIES TO SELL STOCK THROUGH SUIT

Pres. Frank Gavit of Gary and Interurban Railway Declares South Benders Want to Unload Their Holdings.

"The suit for the dissolution of the Gary & Interurban, brought by Mr. Raff and his associates of South Bend, is merely a method of forcing us to buy their stock."

This was the declaration of Pres. Frank N. Gavit of the Gary & Interurban today when the Porter county court resumed its sessions in Gary for the introduction of the books and records of the company as evidence.

"They have tried their best to have the suit delayed further in order that they might force us into buying them out, but we cannot afford to do it now. The merger was effected nearly 13 months ago. The suit has been filed for a year, yet we have just been able to bring it to trial."

When Judge Tutill opened court yesterday morning in the Moore lodge hall records of the organization of the small lines such as the Gary & Eastern and the Valparaiso & Northern were taken up. The attorneys for the plaintiffs are preparing to show first how the various roads were organized and the latter will introduce the records showing how the merger was effected. The organization of the Gary & Interurban has already been shown. There is no argument connected with the examination of the records and no witnesses are being put on the stand here except to exhibit the books.

Expect Heated Session. It is expected, however, when once the basis of the suit is formed from the examination of the records that the session will be heated. This part of the hearing will take place in the Porter circuit court where the court will resume its sittings after going over the records here.

Clustered around a big table in the lodge hall this morning, the gathering had more the appearance of a round table session of the lodge officers than a court of competent jurisdiction. There was no judge's bench, no witness box nor other common courtroom scenes. Judge Tutill sat at the head of the table and the attorneys clustered around, pouring over the massive volumes of figures.

SOUTH BEND COUNCIL WINS BALL GAME

Father Farley Pitches Locals to Victory at Knights of Columbus Outing.

Slight hundred members of the Knights of Columbus and their friends from the South Bend, Notre Dame, Elkhart and Laporte councils attended the annual picnic held Thursday at Hudson lake. Athletic games of all kinds were staged at the lake and the South Bend and Notre Dame orders succeeded in getting their share of the prizes offered to the winners of the various events.

The South Bend council won the ball game from Elkhart 8 to 7. Father Farley of Notre Dame, former varsity pitcher for Notre Dame university, appearing on the mound for the local nine. Fathers McGinnis, McNamara, Ryan and Lavin, all of Notre Dame, assisted the South Bend council in getting away with the large end of the score. The local team was presented with a large championship banner.

In the evening dancing was enjoyed at Fishers, the Anderson orchestra of South Bend furnishing the music. The South Bend contingent left on four special cars Thursday morning at 11 o'clock for the scene of the picnic grounds. The Elkhart and Laporte councils each chartered two special cars.

The South Bend council had charge of the arrangements for the outing. The committee consisted of L. W. McGinnis, chairman; J. A. Kauffer, Joseph Brink and Leo Ittenbach. Charles Hagerty superintended the arrangements for the baseball game.

HORWATH FINED \$10 AND COSTS IN LIQUOR CASE

Judge Warner Sides With State in Ref that Sunday Act Was More Than Hospitality.

Karloman Horwath, who was arrested when the saloon of Steve Grogan at 810 Prairie av. was raided some time ago, was fined \$10 and costs in city court Friday morning on charges of serving away liquor on Sunday. The case has been pending since two weeks ago on account of the defense's plea that Horwath was not a dealer and therefore was not liable under the statutes.

Steve Grogan was originally arrested charged with the crime, but the case against him was dismissed when it was found that he was not in the place on the day it was raided. Attorneys for the defense held that as Horwath was not a dealer and had given the liquor away he was not liable to be.

The prosecutor contended, however, that the men to whom the liquor was given were not even friends of Horwath's.

The case was appealed to the circuit court.

GAFILL INFORMS BOARD THAT HE IS SATISFIED

(CONTINUED FROM PAGE ONE) and entrance would be made to both Chief Kerr's and Chief Kuespert's offices through the captain's office. Incidentally it was reported that the police do not care to abandon their uniforms for the shirt-waist costume, and so the permit issued a week ago without effect.

A communication was dictated from the board of safety to the common council in answer to Councilman Hagerty's motion of Monday night when he moved that the city purchase the Oliver Chilled Plow works, taking the officers of their beats in the third and sixth wards. On advice of Chief Kerr it was explained that the Oliver's make a good machine for the city, the 6th, 7th and 8th of July, when they were taking on extra men at the plant and there was a mob of men in waiting. "We sent the only men available for about four hours each day," says Chief Kerr. "If the council will provide us with additional men we can use them, but as it is now we did the only thing we could."

AUTOIST ARRAIGNED; VICTIM IMPROVING

Glen Reece to be Tried Tuesday for Speeding—Ft. Wayne Man Will Recover.

Glen Reece, driver of the taxicab which collided with the machine driven by F. D. Miller of Mishawaka, resulting in the severe injury of Earl Shepard of Ft. Wayne at Sample st. and Vista av. late Thursday night, was arraigned in city court Friday morning charged with exceeding the speed limit. He was arrested by Patrolman Tom O'Connell immediately after the accident.

His case, without the usual preliminary hearing, was continued until Thursday, July 23. He was allowed his freedom on a bond of \$50. It was said in court Friday morning that a case would be prepared against him. Evidence will be sought, and the prosecution will endeavor in every way to make out a case. Reece is an employee of the Stephenson garage.

Shepard is confined in Epworth hospital with a severe scalp wound. The wound was dressed Thursday night by Dr. Edgar Myers, who reports him to be not seriously injured. He will probably leave for his home Friday night or Saturday.

Mr. Miller, his wife and daughter, Mrs. Cleo Martin and two children, and Marlin Holycross and J. B. Hawkins, all of Mishawaka, were sitting in the machine which was standing beside the curb on Sample st., just off Vista av. Without any warning in the machine driven by Reece, who is employed by the Stephenson Taxicab Co., swung around the corner and crashed into the other automobile.

Shepard was riding in the front seat with Reece and Fred Tyler of Elkhart, and when the collision came, he was pitched out of his seat into the street, landing head downward on the brick pavement. All of the members of the Miller party were hurled from their machine.

Mrs. Martin was the only one in the Miller machine who was hurt, having sustained a severe injury to her right arm and the left hand was badly cut. Although Shepard's head was laid open, he was conscious until he was taken to the hospital. When he was placed in the ambulance, he was unable to lie down, it being impossible for him to breathe in that position, he said.

Both machines were badly wrecked, one side of the Stephenson machine having been ripped off.

RESINOL CURED ECZEMA IN ITS WORST FORM

Feb. 25, 1914: "I had eczema in the worst form all over my face. It started with a rash like hives, and itched and burned so that I could not keep my hands off of it. I could hardly sleep. The more I rubbed it the worse it itched, and the more it spread. Blisters formed, and when opened had pus in them. I looked terrible. I would not let myself be seen. This lasted for about three months, and during that time I tried prescriptions, cold creams, camphor, etc. But it still kept getting worse, until at last I tried Resinol Ointment and Resinol Soap. THE FIRST APPLICATION RELIEVED THE ITCHING AND BURNING. I purchased a jar of Resinol Ointment and a cake of Resinol Soap, and by the time they were gone my face was entirely well—my skin as smooth and clear as ever." (Signed) Mrs. Phebe Cole, 1009 N. Walnut st., West Bay City, Mich.

Resinol Ointment and Resinol Soap are sold by all druggists. Trial free, write to Dept. 29-R, Resinol, Baltimore.

MOTHER TRIES TO GET HER CHILD BUT LANDS IN JAIL CELL

Mrs. Theresa Baker, Former Wife of South Bend Man, Central Figure in Domestic Tragedy at Michigan City.

The desperate attempt of a mother to get possession of her three-year-old son, whose custody she lost as result of a divorce suit and whom she had not seen since he was a baby of a few weeks, has landed the woman in a cell in the Michigan City jail.

The mother, Mrs. Theresa Baker, is the former wife of a South Bend man, Emil W. Baker. They were divorced nearly three years ago. After resorting to every ingenious subterfuge which she could devise and even trying force, according to her accusers, Mrs. Baker was arrested on a charge of trespass, for which she is now waiting trial in Michigan City. E. G. Lindemeyer, who has the custody of her baby, is the complaining witness.

The story of Mrs. Baker is the sordid one of an unhappy marriage, divorce after stormy vicissitudes in which the family of her husband figured prominently and the loss of the care and custody of her five children.

It was shortly after the birth of little Walter, now in the custody of the Lindemeyers at Michigan City, that the crisis came which broke up the home of the Bakers. After securing his divorce, Mrs. Baker kissed her children good-bye and they were taken to the home of their grandparents, the parents of Baker in Laporte. A few weeks afterwards Walter, who is one of twins, was given by the grandparents into the custody of the Lindemeyers.

Seeking Court Aid. Distracted by the loss of her children, Mrs. Baker sought the aid of the courts. She sued for their custody. But the court denied her plea. The children remained with their foster parents.

Finding her other resources had failed her, Mrs. Baker, driven by her mother love, determined on a last desperate attempt to get one of her children. She went to the Lindemeyers and asked for the child. The Lindemeyers, who have cared for the child since its early infancy, were averse to parting with Walter. They asked his mother her proof of her right to him, and, in order, Mrs. Baker insisted that she had permission of the judge but no written order.

This, however, failed to satisfy the Lindemeyers, and they continued their refusal to part with the child. The mother became hysterical, she poured out denunciations and alternately begged and threatened in the desperate attempt. Meanwhile the three-year-old baby, who has never known his real mother, watched the drama.

Finally Mr. Lindemeyer summoned the police and swore out a warrant against Mrs. Baker. Resisting with all her might the woman was taken to jail there to await a formal hearing on that charge.

SALOON OWNER GETS JAIL SENTENCE AND \$25 FINE

A jail sentence of 10 days and a fine of \$25 and costs was the sentence passed upon John Kubiak, whose saloon at 2101 Bertrand av. was raided last Sunday, in city court Friday morning by Judge Warner. Attorneys for the defense filed appeal bonds and the case will be tried in circuit court.

Kubiak's place was raided last Sunday and it was alleged that five men were found in the room drinking and buying liquor. The officers who made the raid testified on the stand Friday morning that the men were in there and without doubt had bought and paid for liquor. Kubiak's attorney filed an appeal bond to the circuit court.

SOUTH BENDERS NARROWLY ESCAPE FROM DROWNING

Two South Bend people narrowly escaped drowning in Pretty lake, near Goshen, Wednesday while bathing. Irene Freyman of this city was swimming from a diving raft 150 feet from the shore back to land when she became weak. Wrightsman, who was also on the raft, dove in and swam to her aid. He had brought her 20 feet into shore when they both went down. Fishing parties nearby rescued them. It took nearly an hour to revive Miss Freyman.

It is anticipated that 1,000 people will attend.

EXCEEDS SPEED LIMIT. Fred Cimmerman, 937 W. LaSalle av., was arrested Friday afternoon for exceeding the speed limit in an automobile by Motorcycle Officer William Westlake. TWO ARRESTED RESULT OF WAR ON WEEDS

Robert Elbel and Henrietta Rockstroff First to Face Prosecution.

As a result of the campaign instigated by the board of health against the growth of weeds in the city, Robert Elbel and Henrietta Rockstroff have been arrested by Patrolman William Lichtenberger, who alleges that the former owns property on the northeast corner of Michigan and Bartlett sts., which is covered with tall weeds. Mrs. Rockstroff is charged with permitting weeds to grow on her property on the southwest corner of Bartlett and St. Joseph sts. Both places are vacant lots. The two cases were continued until July 18.

Dr. Charles Rosenbury, secretary of the board of health, says that as the time of year approaches in which fever reigns the board will take stringent steps in the exterminating of weeds in public places in the city. Persons owning property on which there are weeds will be prosecuted to the full extent of the law, according to Dr. Rosenbury.
